IS YOUR BUSINESS INTERESTED IN BECOMING A *Sponsor?*

Cascade View Christian School is a Christ-centered learning community where students from Preschool through 6th Grade are nurtured to grow academically, spiritually, and personally. Since 2001, CVCS has partnered closely with families to provide an affordable education grounded in a Biblical worldview and shaped by our mission: ***nurturing the whole child through academic excellence, Christian discipleship, and personal growth.*** Students benefit from Christ-centered teaching, small class sizes that support individualized attention, a safe place to learn and belong, and strong school-family partnerships that reinforce shared values. To keep this mission accessible to local families, CVCS relies on annual fundraising and welcomes business sponsors who wish to invest in meaningful marketing opportunities while supporting Christian education.
