4th Grade - Mrs. Bittner

INTERVIEW BY ELOWEN AND HALEY

Mrs. Bittner has been teaching at Cascade View for the last three years. She has been teaching for 39 years overall! Mrs. Bittner went to Oregon State University and loves her Beavers. Her favorite subject to teach is the history of Oregon. She enjoys teaching that subject because of all the interesting activities and fun trips. When Mrs. Bittner is not teaching she likes to work in her yard, travel, and read.

Outdoor School

WRITTEN BY AVARLEY AND PARKER

As most of you know, the 5th and 6th graders went to Outdoor School in October at Canyonview Camp outside of Silverton. We were there for three nights and four days. The food was delicious! There were many activities including a 60 foot zipline, nature hike, escape room, fishing, and learning how to shoot a bow and arrow. We played fun night games too! We learned about horses, but sadly we didn't get to ride them. It was a lot of fun. We hope that when you are in 5th and 6th grade you'll have fun too!

Service Opportunity

INTERVIEW BY CECI

On Saturday, Nov. 7th from 9am-noon, the whole school is invited to an all school clean-up day. Cascade View does not have a full-time custodian or groundskeeper, so there are many projects that need to be done. There will be opportunities for deep cleaning, organizing classrooms and supplies, and some outside maintenance. Here at CVCS, we want to be good stewards of our property and buildings. Please join us! As the saying goes, "many hands make light work."

4th Grade Volunteer - Mr. M

INTERVIEW BY ELOWEN AND HALEY

Mr. M has been helping at Cascade View for four years. He was a public school teacher for over 40 years! Mr. M visited Cascade View when Pastor Paul was here and asked if there was a place he could serve. Mr. M said, "God called me to do this." When Mr. M isn't volunteering in the 4th grade classroom, he likes to paint, hike, kayak, and travel.
