Mrs. Chlanda has been teaching for 19 years. Five of those years have been at Cascade View! Mrs. Chlanda's favorite subject is reading. She likes it because it can open a whole new world to her students. While Mrs. Chlanda did not attend college, she is a student of the college of life! Mrs. Chlanda likes to travel in her free time.

1st Grade - Ms. Amy

INTERVIEW BY AVINLEY K. AND ELLIE W.

Ms. Amy is new to Cascade View this year but has been teaching for 20 years! Ms. Amy went to George Fox. She said, "my teaching style is loosey-goosey." One of her favorite subjects to teach is Bible, because she loves the Word of God. When her class is getting a little loud, Ms. Amy will ask, "Ready to rock?" Her students respond, "Ready to roll!" Fundraising Opportunities

INTERVIEW BY ELOWEN T.

You can't spell the holidays without P-I-E. Join us for a slice of fun selling Willamette Valley pies Oct. 1st - Oct. 29th. Raising money for our school will be easy as pie with this fundraiser. There will be some sweet and maybe even filling prizes. Crust us, this will be fun!

Community Connection

The annual Sublimity Harvest Festival was Sept. 11th - 13th, and our school helped in many ways! Families volunteered to scan tickets and stamp hands at the festival grounds all weekend. Other families helped with the Fun Run. This event raises a large portion of the funding for Outdoor School. We also had a float in the Harvest Festival Parade this year that was organized by the Reedy family.

Music - Mrs. Kroeker

INTERVIEW BY CECI F. AND PARKER O.

Mrs. Kroeker has been teaching music at Cascade View for four years. Mrs. Kroeker loves music and working with kids. Teaching at CVCS allows her to pass on her love of music to others. When Mrs. Kroeker was a student, her favorite subject was English. When she is not teaching music Mrs. Kroeker likes to craft, go outside, and spend time with her husband.
